 **T. B. Ninan Hall**

 **1 February 2024**

Dear Sir/Madam

We gladly invite the participation of students from your esteemed institution, for the seventh Thasnim Memorial Intercollege Seminar Presentation Competition. The competition will be held at Union Christian College, Aluva on 1st February 2024. The competition aims at testing student's knowledge on the subject and ability for presenting ideas most clearly. The competition has been established by the 1995-1998 B.Sc. Mathematics batch, in the loving memory of their classmate, Late Ms. Thasnim H. The winners will be awarded with cash prizes and certificates.

Rules for the competition

1. This is an individual event for Mathematics Students (UG&PG). However a college can send two students of their college for the competition with letter of identity from the Head of the Department.
2. The competition is of 8 minutes duration. Any relevant topic in mathematics can be selected by the participants. Power Point Presentations are allowed with the number of slides restricted to a maximum of 10. The marks will be decided by a panel of judges based on the nature of the topic, presentation skills and transmission of ideas.
3. The competition will commence at 10.00 AM and registration of the participants will start at 9.00 AM on 1st February 2024.
4. There will be a registration fee of Rs100/- per participant.
5. Confirm your participation on or before 31st January, 2024

First prize: Rs. 3000/-
Second prize: Rs. 1500/-
