About Us

Union Christian College, Aluva was established in 1921 as an ecumenical, Indian Christian initiative in the field of higher education in Kerala. A sprawling green campus spread over 40 acres, the college is located on the banks of river Periyar, about 12 kilometres away from the Cochin International Airport. Affiliated to Mahatma Gandhi University, Kottayam, the institution is known for its academic excellence and research potential. The college has 18 academic departments, with around 1900 students and 160 faculty members.

ISAK

The International Society for the Advancement of Kinanthropometry (ISAK) was founded as an organisation of individuals whose scientific and professional endeavour is related to Kinanthropometry. Kinanthropometry is the area of science concerned with the measurement of human body composition. As a result of changes in life styles, nutrition, activity levels and ethnic composition of populations, changes to the distribution of body dimensions are forever occurring.
