THIRD - ₹5000

Certification will be provided

water supply, electricity, other facilities will be provided on prior intimation

Our college has completed glorious hundred years!

The centenary celebrations of the college were inaugurated by the Honourable Governor of Kerala Sri. Arif Muhammad Khan on 29 March, 2021. The celebrations will reach its crescendo following a mega exhibition scheduled from 07-12, November, 2022 and a global alumni meet on November 12, 2022. The centennial celebrations will also include seminars by eminent personalities from across different strata of society and cultural events in the evening. The exhibition is aimed at showcasing the recent advances in science, technology, art and culture and will be open to public and to all educational institutions. This mega exhibition will also be a venue for an inter college competition which would be a great opportunity for the students of neighbouring institutions to exhibit their projects to public. These young minds will be acknowledged for their scientific vigour, philosophical notion and cultural ethos by exciting prizes and citations.

We cordially welcome all to the mega event and add colours to our centenary celebrations.
