FOREWORD

Union Christian College (Autonomous), Aluva, with a proud legacy spanning over 104 years, stands as a distinguished institution of higher learning in India. 1921 by four young visionaries and educationalists who were old students and teachers of Madras Christian College, Prof K C Chacko, Prof C P Mathew, Prof A M Varkey and Prof V M Itteyera, with a vision of holistic development of the students. The institution began its academic journey with a junior intermediate course, enrolling 64 students and employing 6 teachers in a rented building. Later, it was shifted to Kacheri Malika, donated by the Maharaja of Travancore. From its inception, the College has consistently upheld a commitment to academic excellence, holistic development, and a deep-rooted social consciousness.

Our journey through the decades has been marked by continuous growth and academic distinction. The college was recognised by the R. Sankar Award instituted by the Government of Kerala for the best Special Grade Arts and Science College in the State for the Year 2000-2001. The institution was the first in Kerala to receive a five-star rating from NAAC in 1999, and in 2024, the college was accredited with an A++ grade in the 5th Cycle of NAAC accreditation. The commendable positions in national rankings NIRF 97th rank in 2022 and 77th rank in 2023, and 12th ranking in KIRF 2024, bear testimony to our unwavering dedication to quality education and institutional integrity.

Union Christian College offers a wide spectrum of programmes across both aided and self-financing streams, designed to meet the evolving educational needs of our diverse student body. The college now has 18 UG, 14 PG programs and 10 research centers, and 1 interdisciplinary research centre. Our strength lies in our experienced and highly qualified faculty, who foster an academic environment that promotes research, critical thinking, and intellectual curiosity. The College places a strong emphasis on academic integrity, transparency, and accountability, ensuring a system that is both inclusive and progressive.

Our library serves as the central hub of the College's teaching and learning ecosystem, addressing the diverse educational needs of its academic community. The library hosts a digital repository encompassing various e-resources, including college magazines published since 1925. Housing a collection of approximately 1,00,000 printed volumes and offering access to several hundred - thousand e-books through digital networks, the library is fully automated and employs RFID technology for efficient resource management. It includes dedicated facilities for visually impaired students and maintains an archive of rare books, some of which date back to the early 19th century.

Our pedagogical approach combines theoretical foundations with practical applications, enabling students to become industry-ready and globally competent. Beyond academics, we take immense pride in nurturing individuals who are not only intellectually capable but also deeply compassionate and socially responsible. I hope that every student who enters this institution finds a meaningful, transformative, and enriching educational journey.
